## BPoint

BPoint is the Department of Education's preferred method of payment. When using BPoint the invoice number needs to be entered whether a full or partial payment is being made. When making a partial payment, or the final payment, continue to use the same invoice number.

There are two payment options through Bpoint, which are:

- online using your debit/credit card <https://www.bpoint.com.au/payments/dete> - refer to below image. If you click directly on the bpoint link on the invoice, all required information will pre-populate for you.
- by phoning Bpoint on 1300 631 073 and using IVR (Interactive Voice Response). This is a very easy method. You will need your CRN, payment amount and your credit card details. At the end of the call you will be provided with a unique payment receipt number. **Please note that we can no longer accept payments over the phone at the College.**
