# BAYSIDE ENRICHMENT PROGRAM APPLICATION

## EVIDENCE OF GENERAL CAPABILITIES

Submit a **one-page written application** or **1–2-minute video application** outlining how you have demonstrated the following Australian Curriculum General Capabilities in your family life, in school or in a sporting/community group:

### Critical and Creative Thinking

Critical thinking involves students analysing and assessing possibilities against criteria for judgement. Creative thinking involves students learning to generate and apply new ideas and see existing situations in new ways.

#### Can you tell or show evidence of:

- being open-minded
- ready to try new ways of doing things
- thinking about alternative ways to solve a problem
- showing persistence when faced with a challenge

### Intercultural Understanding

Intercultural Understanding encompasses behaviours and dispositions students need to understand what happens and what to do when cultures intersect.

#### Can you tell or show evidence of:

- an understanding of culture and cultural diversity
- celebrating cultural or linguistic diversity
- being a part of an intercultural context

### Ethical Understanding

Ethical Understanding encompasses knowledge and skills students need to identify ethical concepts, understand different ethical perspectives and apply ethical thinking in response to issues.

#### Can you tell or show evidence of:

- an understanding of the role of values, rights and responsibilities in your school or community

PLEASE SUBMIT YOUR APPLICATION TO:
