ADDITIONAL SUBJECT CHARGES AND OTHER OPTIONAL CHARGES

The majority of subjects offered at Brisbane Bayside State College attract no additional charge as all costs are covered in the Student Resource Scheme (SRS). However, some courses incur a charge to cover extra costs such as high quality materials, workbooks and external training. These Subject Additional Charges assist in subsidising the cost associated with the students undertaking meaningful projects. The high end projects and tasks are design to engage the students and maximise their outcomes. In addition, allowing the students to take the finished products home. These subjects are mainly vocational, project based and practical in nature.
