STUDENT DRESS CODE

The only place that sell the required school uniform is the P & C uniform shop located on the school grounds. Look-a-like items are not acceptable.

The Student Dress Code is endorsed by the school community. It complies with requirements for an effective and safe learning environment and encourages identification with the school and fosters a sense of belonging.

Students are required to wear their Day Uniform (see below for description) each school day and all formal occasions such as excursions, awards nights and other school and public functions.

Students in Years 7 - 10 are required to wear the Sport Uniform (see below) on their respective interschool sports day. If students in Years 7 - 10 are involved in an excursion on their respective interschool sports day then the Day Uniform must be worn. Students involved in school sport, or representing the college in other sporting activities, must also wear the Sports Uniform.

Students are required to adhere to the College Sun Safety policy which stipulates that they must wear a College uniform hat when in the sun.

The approved sports uniform, including hat or cap, must be worn for Physical Education lessons. Students who do HPE are required to change into the Sports Uniform at the beginning of the lesson and back into their Day Uniform at the end of the lesson.

The following dress expectations are part of our student dress code:

- Lipstick, eye make-up and coloured nail polish are NOT part of the student dress code.
- Excessive make-up will be asked to be removed.
- The only jewellery acceptable to be worn is a watch; 2 plain sleepers or studs per ear; one plain ring; fine-chained necklace.
- Facial piercings are not permitted and must be removed or replaced with clear covers. Stretchers must be removed and replaced with white or black discs.
- All students must have natural hair colours and tidy with long hair tied back for practical classrooms.
- Body art (tattoos) must be covered and not visible.

Students unable, through unforeseen circumstances, to comply with the uniform requirements, must bring a note of explanation from their parent/guardian and present the note to the appropriate member of the Administration before the start of classes. If possible, students will be provided with the uniform from the school's uniform pool. If the correct uniform item is not available a uniform pass will be issued.

Students who fail to comply with the uniform requirements will be given school code breach notification which they take home to have signed by the parent before completing a 30 minute detention. Detentions will be conducted either at 11.10am (lunch time) or with negotiation and parental notification before/or after school.
