

BRISBANE BAYSIDE STATE COLLEGE

Student Resource Scheme – Year 8

Annual Parent Information Letter

Dear Parents/Guardians,

This letter contains important information about the **2021 Student Resource Scheme (SRS)** including how the scheme operates and the annual participation fee.

The Queensland Government supports students' education by providing funding for:

- Instruction, e.g. teachers
- Facilities, e.g. buildings, amenities, furniture
- Administration, e.g. staffing and resources to administer the operations of the college.

Funding does not extend to individual student resources such as textbooks, computer or musical equipment for personal use, and many items used/consumed by the student in the classroom. Supply of these items is the responsibility of parents.

To provide parents with a cost effective alternative to purchasing textbooks and/or resources elsewhere, Brisbane Bayside State College operates a SRS.

The scheme ensures that students have the resources required for them to engage with the curriculum for their education, and saves parents time and money in sourcing the prescribed materials elsewhere. Savings are gained through the college's bulk purchasing practices and hiring arrangements. The scheme is not used to raise funds for other purposes, and revenue collected through the scheme is applied only to the resources and operation of the scheme.

The scheme's operation, resource inclusions and participation fees were approved by the college's P&C Association at the meeting held on 13 October, 2020.

SRS Participation

The objective of the scheme is to provide a convenient and cost-effective way for students to access the educational resources necessary to enhance their learning experience at college. The Department encourages parents to participate in the scheme. Participation in the SRS is optional, and no obligation is placed on a parent to participate.

Parents are required to complete and return the new SRS Participation Agreement Form. If no participation form is received by **Wednesday, 27 January** the college will take the view that the parent has chosen to opt out of the SRS. The parent is then required to provide the educational resources listed in the SRS for their child by the start of the college year.

Parents only need to complete one Participation Agreement Form, agreeing to join the scheme, which covers the SRS-Year 8, as well as the SRS-Instrumental Music and SRS-Laptop Hire as required. Students are unable to participate in Instrumental Music or temporarily hire a laptop if a SRS Participation Agreement form is not returned to the college by the due date.

This form is only required to be completed once, as participation is for the duration of your child's enrolment at the college. However, a parent can opt in or out of the scheme in subsequent years by completing another Participation Agreement Form.

Type of Resources provided

Generally, the three types of resources that could be included are:

- **Owned** – these items are retained by the student and used as required (e.g. Student ID Card).
- **Used** – these items are used/consumed in class by the student (e.g. stationery, timber, material, workbooks, cooking, art, supplies). Work/items produced from these resources will remain the property of the student.
- **Hired** – these items are hired to the student for their personal use for a specific period of time (e.g. textbooks, musical instruments, laptops).
 - Hired items must be returned to the college in good condition at the end of the hire period or if the student leaves the college.
 - A repair or replacement cost may be charged to the parent for any hired items that are damaged or not returned.

The SRS Participation Fee

The 'SRS - Year 8' is a **Flat Fee SRS** that covers the cost of the General Items, the Core Subjects and the Elective Rotations. If you are not satisfied that the SRS fee represents good value for money based on the inclusions, as outlined in the 'SRS - Year 8 Summarised Costs' form, you may choose not to participate in the SRS. If you choose not to participate, you will be provided with a detailed list of resources that you will need to provide for the student.

The Textbook and Resource Allowance

The Department of Education provides a Textbook and Resource Allowance (TRA) to assist parents with the cost of textbooks and other education resources for eligible Years 7 to 12 students. For those students who are eligible to receive the TRA, the TRA will be applied to reduce the cost of participation in the SRS. Information on the TRA can be found on the department's website (<https://education.qld.gov.au/about-us/budgets-funding-grants/grants/parents-and-students/textbook-resource-allowance>).

Year level	TRA Rate
Years 7 to 10	\$130
Years 11 to 12	\$281

The SRS Fee and Payment

The SRS – Year 8 Fee is summarised below. The SRS Fee is the cost of the SRS, less the TRA, less the cost the college will subsidise. The subsidy is to make the cost even more affordable for the parent and replaces the discount for prepayment offered in previous years.

Cost of SRS	TRA	College to Subsidise	SRS Fee Due
\$553.05	\$130.00	\$98.05	\$325.00

Several payment options including a single payment for the full year's fee or term instalments are available. An instalment plan can also be negotiated with the college.

The SRS Flat Fee of \$325 will be invoiced in early February and can be paid in full or in three instalments, as outlined on the invoice. The three instalment are as follows:

Term 1: \$125 Term 2: \$100 Term 3: \$100

Any unpaid invoices will be managed according to the department's Debt Management Procedure and may result in the student being excluded from the scheme and/or from participating in non-curricular activities until payment is made (<http://ppr.det.qld.gov.au/corp/finance/accounts/Procedure%20Attachments/debt-management/debt-management.pdf>).

Financial Hardship

Parents experiencing financial hardship who are currently participating or wish to participate in the SRS should contact the college to discuss available options in confidence.

SRS payments can be made by BPOINT/QParent, EFTPOS (Credit/Debit Card), Centrepay.
