

## District Sport Trial – Cheat Sheet

Download the following files from the BBSC Website under District Sport

1. QLD School Sport Project Consent Form
2. Authority to Share Form
3. Parental Consent Form
4. Principal Consent Form
5. Student Medical Details Form

(Can we put 2-5 as one document, and then will just be two to download?)

- Then on the link to the left select the Sports that are available for trials
- Download and print the document that correlates to the sport of choice. This will give you the information on where, when and what to bring etc.
- Principal consent form must be taken to Admin and the principal will sign and return to the student.
- All other forms need to be filled in by the Student and Parent / Care Giver.
- All documents are then taken with the student to the trial to hand to the convenor.
- Good luck in your trials for the Bayside District Team.
