

Brisbane Bayside State College - Student Resource Scheme

Year 10 Annual Parent Information Letter - 2024

Dear Parents/Guardians,

This letter contains important information about the Student Resource Scheme (SRS) including how the scheme operates and the annual participation fee.

The Queensland Government supports students' education by providing funding for:

- Instruction, e.g. teachers
- · Facilities, e.g. buildings, amenities, furniture
- Administration, e.g. staffing and resources to administer the operations of the college.

Funding does not extend to individual student resources such as textbooks, computer or musical equipment for personal use, and many items used/consumed by the student in the classroom. Supply of these items is the responsibility of parents.

To provide parent/carers with a cost effective alternative to purchasing textbooks and/or resources elsewhere, Brisbane Bayside State College operates a SRS.

The scheme ensures that students have the resources required for them to engage with the curriculum for their education, and saves parents/carers time and money in sourcing the prescribed materials elsewhere. Savings are gained through the college's bulk purchasing practices and hiring arrangements. The scheme is not used to raise funds for other purposes, and revenue collected through the scheme is applied only to the resources and operation of the scheme.

The scheme's operation, resource inclusions and participation fees were approved by the college's P&C Association at the meeting held on 12 September 2023.

SRS Participation

The objective of the scheme is to provide a convenient and cost-effective way for students to access the educational resources necessary to enhance their learning experience at school. The Department encourages parents/carers to participate in the scheme. Participation in the SRS is optional, and no obligation is placed on a parent/carer to participate. Participation is for the duration of your child's enrolment at the school.

Parents/carers are required to complete and return the SRS Participation Agreement Form (PAF) when joining the scheme for the first time. If no participation form is received the school will take the view that the parent/carer has chosen to opt out of the SRS. The parent/carer is then required to provide the educational resources listed in the SRS for their child by the start of the school year.

Parent/carers only need to complete one Participation Agreement Form agreeing to join the scheme. A parent/carer's participation or non-participation in the scheme will continue as per their previously completed Participation Agreement Form. A parent/carer can opt in or out of the scheme in subsequent years by completing another Participation Agreement Form.

Students are unable to participate in Instrumental Music or temporarily hire a laptop if a SRS Participation Agreement form is not returned to the college by the due date.

Type of Resources provided

Generally, the three types of resources that could be included are:

- Owned these items are retained by the student and used as required (e.g. Student ID Card).
- **Used** these items are used/consumed in class by the student (e.g. stationery, timber, material, workbooks, cooking, art, supplies). Work/items produced from these resources will remain the property of the student.
- **Hired** these items are hired to the student for their personal use for a specific period of time (e.g. textbooks, musical instruments, laptops).
 - Hired items must be returned to the college in good condition at the end of the hire period or if the student leaves the college.
 - A repair or replacement cost may be charged to the parent for any hired items that are damaged or not returned.

The Textbook and Resource Allowance

The Department of Education provides a Textbook and Resource Allowance (TRA) to assist parents with the cost of textbooks and other education resources for eligible year 7 to 12 students. The TRA is \$155 for years 7 to 10 and \$337 for years 11 and 12 and is used to reduce the cost of participation in the SRS. Information on the TRA can be found on the department's website.

The SRS Participation Fee

The Student Resource Scheme is a flat fee that covers the cost of general items and all core and elective subjects. Some resource heavy electives in year 11 and 12 have an additional charge, detailed below.
